

DEAR COLLEAGUES!

We invite you to take part in the work of V International scientific-practical conference “**INNOVATIVE TECHNOLOGY OF CULTIVATION, STORAGE AND PROCESSING OF HORTICULTURAL AND PLANT PRODUCTS**”, which is going to be on May 23-24, 2019 on the basis of Engineering and Technology Faculty of Uman National University of Horticulture.

CONFERENCE PURPOSE

Generalization of scientific and practical researches in the field of technology and mechanization of production, processing and storage of horticultural products and crops.

CONFERENCE WORK DIRECTIONS

Section 1. Technologies and technical means of modern agricultural production.

Section 2. Problems of storage and processing of horticultural and plant products.

Section 3. Technical service and engineering management.

Section 4. Engineering and technological achievements in the design of machines and equipment.

CONFERENCE ORGANIZING COMMITTEE

Olena O. Nepochatenko – Head of organizing committee, Rector of UNUH, Professor, D.Sc. Economics.

Viktor P. Karpenko – deputy of the head of organizing committee, Vice-Rector of Scientific and Innovation Activity of UNUH, Professor, Dr.sc.agr.

Volodymyr A. Didur – deputy of the head of organizing committee, Head of the Department of Technical Service of Agro-Industrial complex in TSATU, Academic HSAS of Ukraine, Academic IAAE, Professor, D.Eng.Sc..

Henryk Sobczuk – deputy of the head of organizing committee, director of representative office of Polish Academy of Sciences, Professor, D.Eng.Sc..

Valerii V. Adamchuk – director of ESC “Institute of Mechanization and Electrification of Agriculture”, Professor, D.Eng.Sc., Academic NAAS, Honoured Master of Sciences and Engineering.

Arvo Leola – Head of the Department of Husbandry Engineering and Ergonomics, Director of Studies Institute of Technology of Estonian University of Life Sciences (Estonia), Dr. Eng., Associate Professor.

Are Selge – Associate Professor of the Department of Plant Production and Grassland Husbandry of the Estonian University of Life Sciences (Estonia), Ph.D., Associate Professor.

Bohdan Dobrzanski – Professor of the Department of Physical Properties of Plant Materials of Institute of Agrophysics in Lublin (Poland), Professor, Dr.sc.agr.

Volodymyr I. Vetohin – Professor of the Department of operation of machines and equipment of Poltava SAA, D.Eng.sc, Professor.

Andrii V. Voitik – Associate Professor of the Department of agroengineering of the Uman NUH, Ph.D., Associate Professor.

Valerii D. Voitiuk – director of SRI of Equipment, Energy and Informatization of Agro-Industrial

Complex, Head of the Department of Technical Service and Engineering Management of M.P.Momotenka NUBip of Ukraine, Academic of AESU, D.Eng.Sc., Professor.

Volodymyr V. Didur – Associate Professor of the Department of agroengineering of the Uman NUH, Ph.D., Associate Professor.

Volodymyr F. Diduh – Head of the department of agrarian engineering of Lutsk NTU, D.Eng.Sc., Professor.

Irina L. Zamorska – Head of the Department of Storage Technology and Processing of Fruits and Vegetables of UNUH, D.Eng.Sc., Associate Professor.

Oleksandr M. Lytovchenko – main scientific worker of the Institute of Horticulture of NAAS, D.Eng.Sc., Professor.

Ivan A. Lisovyi – Associate Professor of the Department of agroengineering of the Uman NUH, Ph.D., Associate Professor.

Nina M. Osokina – Head of the Department of Storage Technology and Grain Processing of UNUH, Professor, Dr.sc.agr.

Valerii I. Pastuhov – Head of the Department of Agriculture Machines of Petra Vasylenska KhNTUA, D.Eng.Sc., Professor.

Olesya P. Priss – Head of the Department of Food Technologies and Hotel-restaurant business of TSATU, D.Eng.Sc., Professor.

Oleksandr S. Pushka – Dean of Engineering and Technology Faculty of UNUH, Associate Professor of the Department of Processes, Machinery and Equipment of Agro-Industrial Complex, Ph.D., Associate Professor.

Mykola O. Sviren – Head of the Department of Agriculture Engineering of CNTU, D.Eng.Sc., Professor,

Gedal A. Hailis – Head of the Department of agroengineering of the Uman NUH, D.Eng.Sc., Professor.

Liudmyla M. Khudik – teacher of the department of agroengineering of the Uman NUH.

LANGUAGES OF THE CONFERENCE

Ukrainian, Russian, English.

FORM OF PARTICIPATION

full-time, part-time, visitor

WORKING ORDER OF THE CONFERENCE

May, 23: 9⁰⁰ – registration of participants

10⁰⁰ – plenary session
